

A Future of Automated Audits?

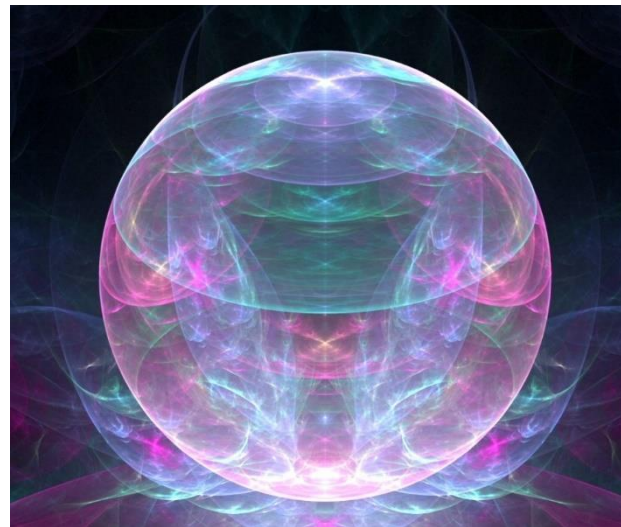

Crystal Balls and the Age of Hyperconvergence

Presentation to

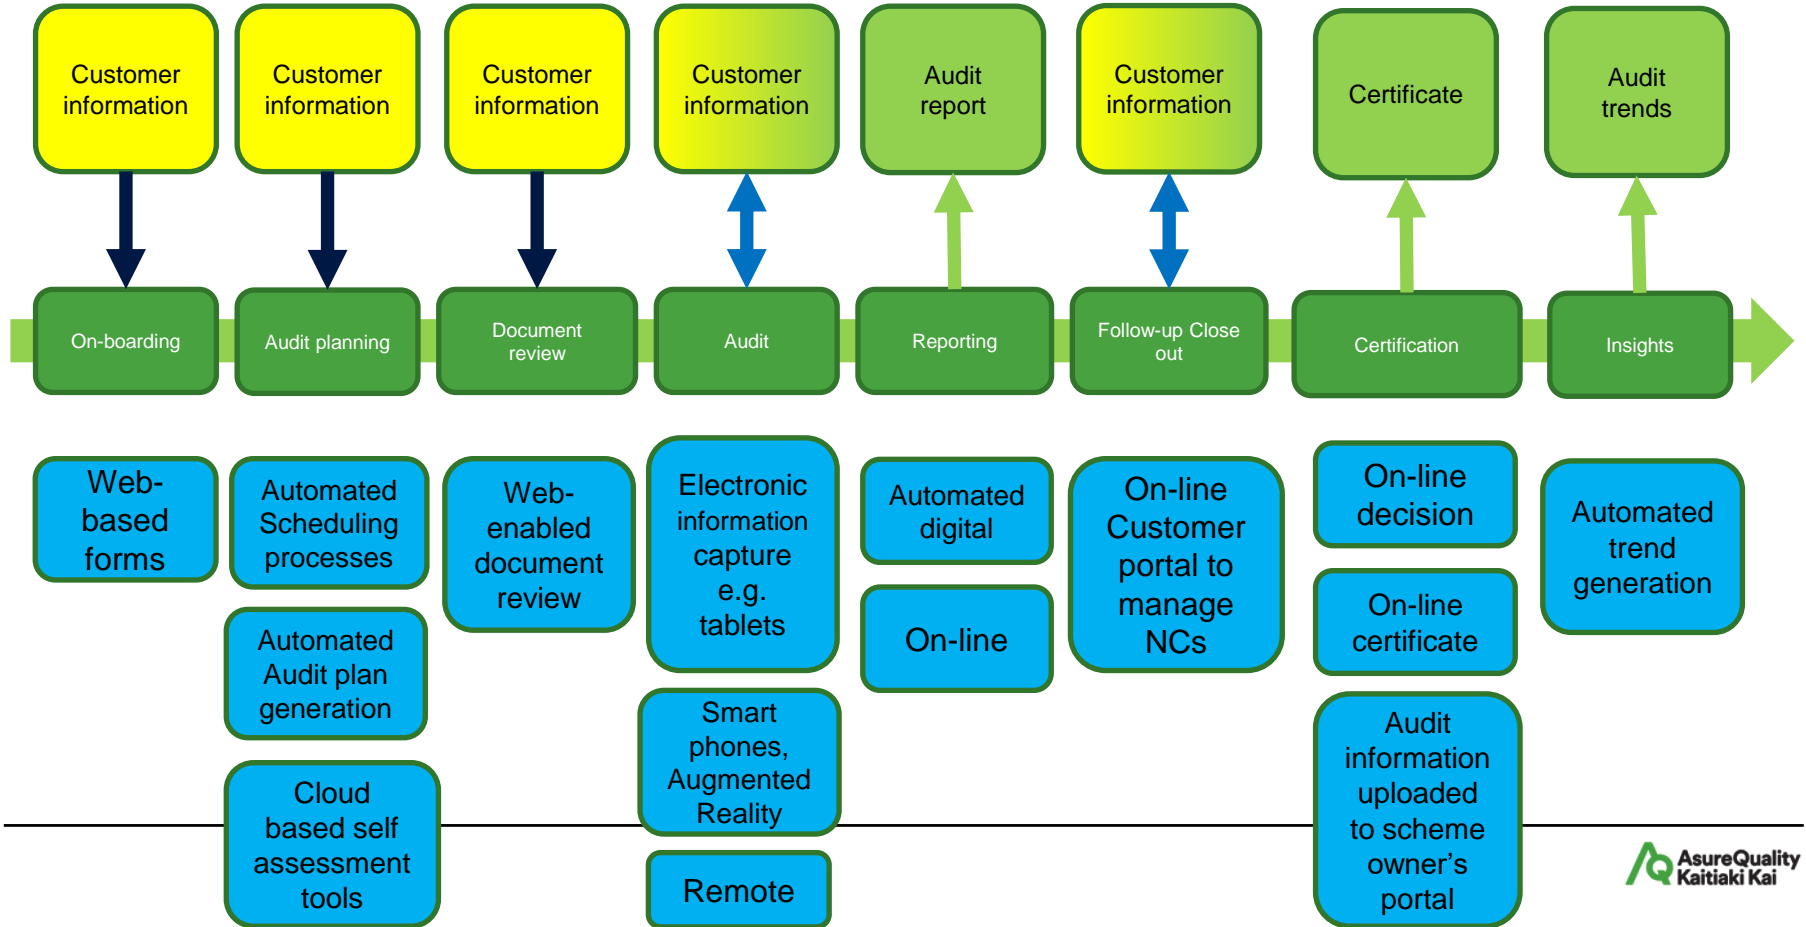

The Fresh Produce Food Safety Centre Australia and New Zealand

Review of the Audit Process Virtual Workshop, Dec 2020.

Dr Harry van Enckevort, Science and Technology Advisor,
AsureQuality Ltd.

Tomorrow's Audit Process?

Hyperconvergence

What we can do
What can do it
Where we can do it
When we can do it
How fast we can do it

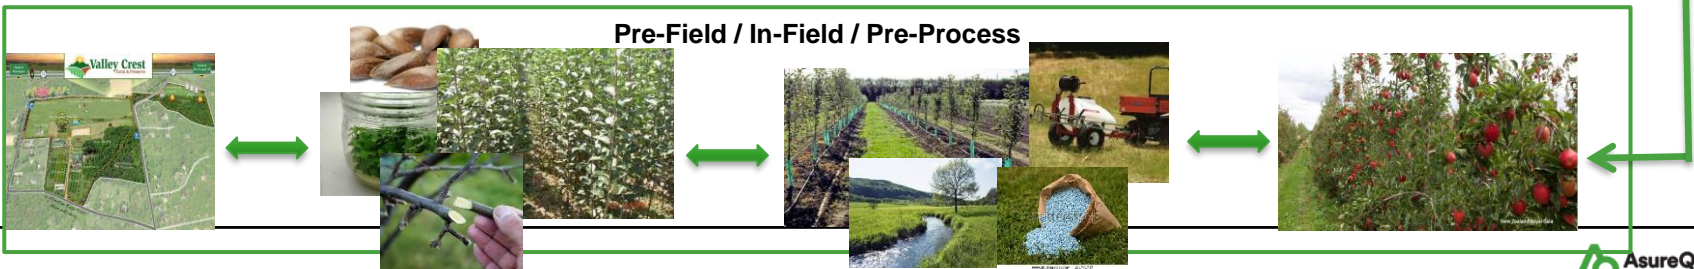

What has happened
What is happening
What could happen
What are the options

Hyperconvergence for supply chains

Talking to the Apple by end-to-end IoST and AI

Digital / Informatics Central

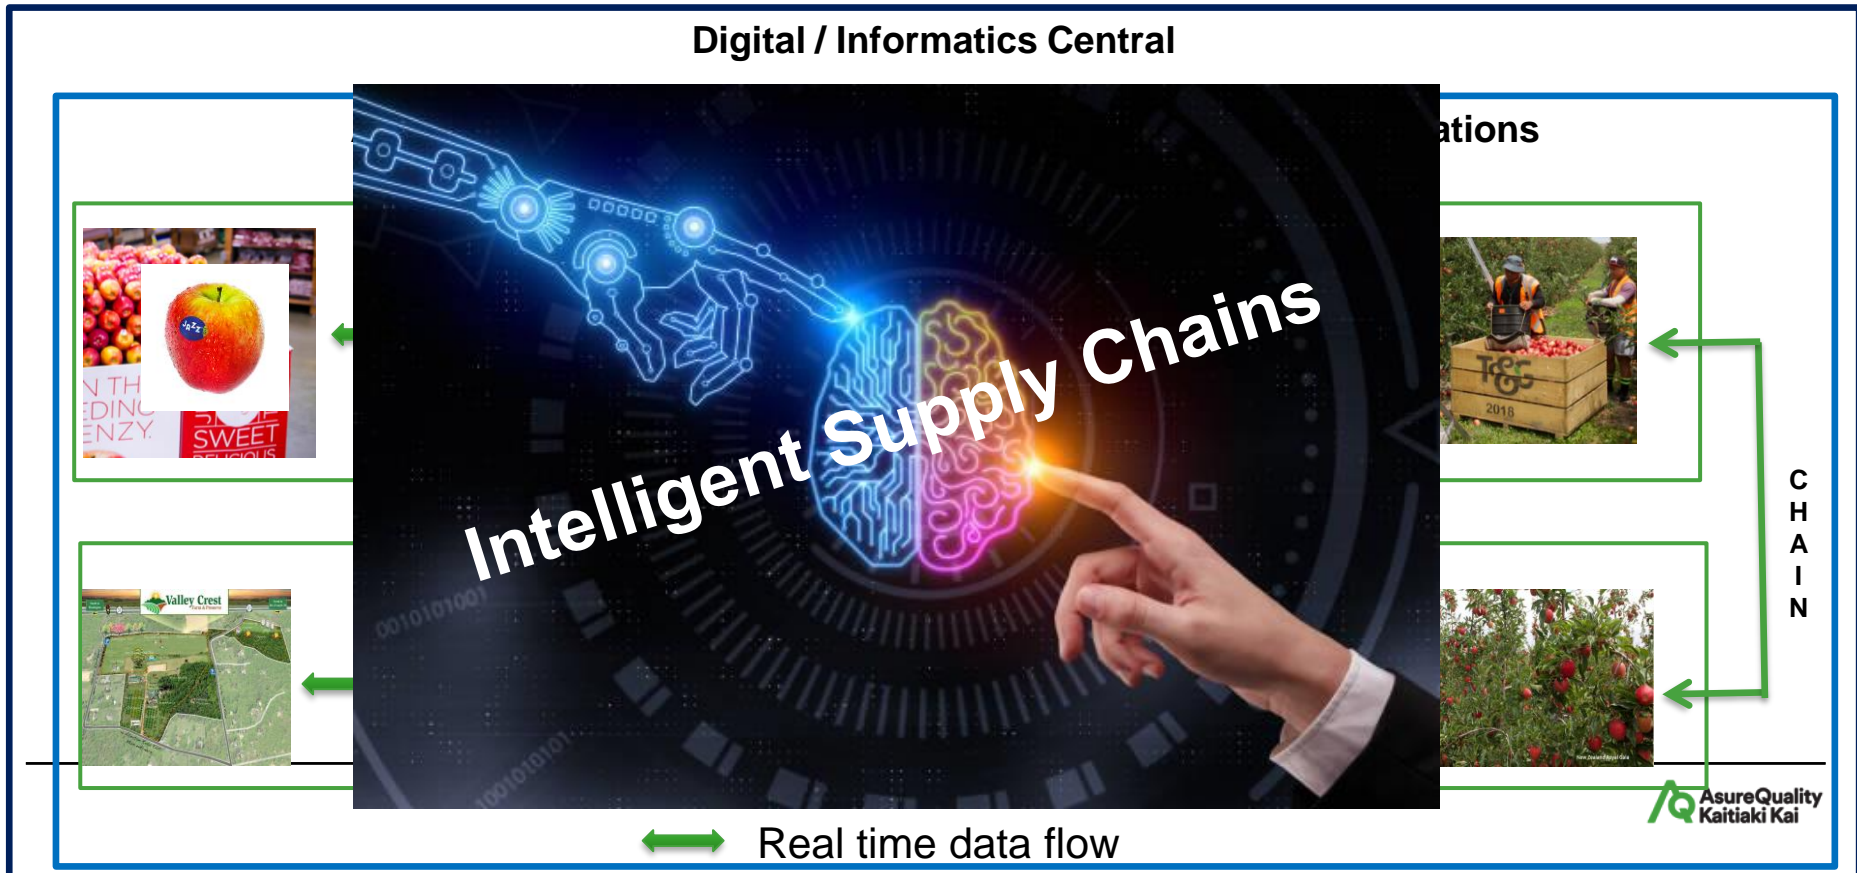

Assurances: Standards, Regulations, Claims, Values, Certifications

Real time data flow

Hyperconvergence for supply chains

Talking to the Apple by end-to-end IoST and AI

The Day After Tomorrow's Audit Process and Brave New World?

“The person who
thinks something
can’t be done
is usually
interrupted by
someone doing it”

Frank Herbert /
James Baldwin
